Appointments

All doctors are by appointment only, with the exception of Dr Paw who sees both appointments and patients who walk into the medical centre without an appointment.

To book an appointment please call (02) 96841661, or book via our website. The options of a standard (< 15 minute) or long (> 20 minute) appointment can be booked.

If you are very unwell, please notify the reception staff so they can triage you accordingly.

If you or a family member requires an interpreter service please let us know when you make the appointment so we can organise this for you.

To cancel a booked appointment please ring (02) 9684 1661.

Care Outside Normal Opening Hours Arrangements

If you need medical attention outside our practice operating hours please contact Sydney Medical service

PH: (02) 8724 6300

If you require urgent medical attention (emergency), please call an ambulance on 000.

Home and Other Visits

If a home visit is required, please contact our after hour service. Requests for home visits by our doctors are not guaranteed, but can be made on a case by case basis.

Telephone Access

If you need to talk to your doctor or nurse, please do not hesitate to contact us during business hours. If your call is urgent, inform the reception staff, so your request can be dealt with appropriately.

Please check service details regarding allied health with receptionist

Fees and billing arrangements

Our medical centre as of the 1st November 2025 will bulk bill all patients who hold a valid medicare card.

For those without medicare, and for the current Saturday consultation gap fee, please see our website or ask the receptionist.

All allied health consultations (dietitian, podiatrist) are currently bulk billed under the eligible care plan.

For all procedures, please enquire at the reception.

Receiving the results of any test or procedure

We request that all patients organise a follow up appointment 3 to 5 working days following the test to discuss the results, or as advised by your doctor. It is our policy not to notify clients if an appointment with the doctor is not required following tests.

Recall and Reminder System

Our practice is committed to preventative and holistic health care and follows best practice guidelines. Dundas Valley Medical Centre works in cooperation with National and State based recall and reminder registers. We may issue you with a reminder notice from time to time offering you preventive health services appropriate to your care. If you do not want to be part of this reminder system please tell the receptionist or your doctor.

Management of your Personal Health Information and Your Rights
